

EASTERN BAND OF CHEROKEE INDIA EDUCATION & TRAINING INTERNSHIP GUIDELINES

College internships allow students the opportunity to consolidate and apply learning from college coursework into a meaningful and relevant on-the-job experience. College internships are a way of helping students understand the relevance of academics in relation to success in the workplace. Working with an adult mentor at the worksite enables students to develop a foundation of professionalism and to acquire skills in their chosen career.

a. College Internship Program

Selection:

- 1. Students are selected for the College Internship Program based on their application.
- 2. Students who are required to complete an internship by their university to complete their course of study will be given priority.
- 3. Selection is made based on a first come, first served basis, depending on the number of positions available.
- 4. Students must maintain a GPA of at least 2.0

b. Internship Placement

- 1. The student is responsible for coordinating the internship in a profession (i.e., tribal program) they have chosen
- 2. The student will meet with the Education Program Specialist to fill out all necessary paperwork
- 3. The student will be responsible for submitting a timesheet every two weeks to the Training Specialist
- 4. The Training specialist will work with the Program Manager to validate hours

c. Hours & Pay

- 1. Students will be allowed to work for a total of 480 hours
- 2. Interns will be paid \$9.00 an hour
